

ACEC Missouri
Winter Meeting & Awards Banquet

PHOTO ALBUM

February 12-13, 2010

Board of Directors / Membership Meeting

Greg Horn, Project Director,
Mississippi River Bridge,
MoDOT District 6

Members listened to Greg's presentation on the new Mississippi River Bridge and Alternative Technical Concepts (ATC).

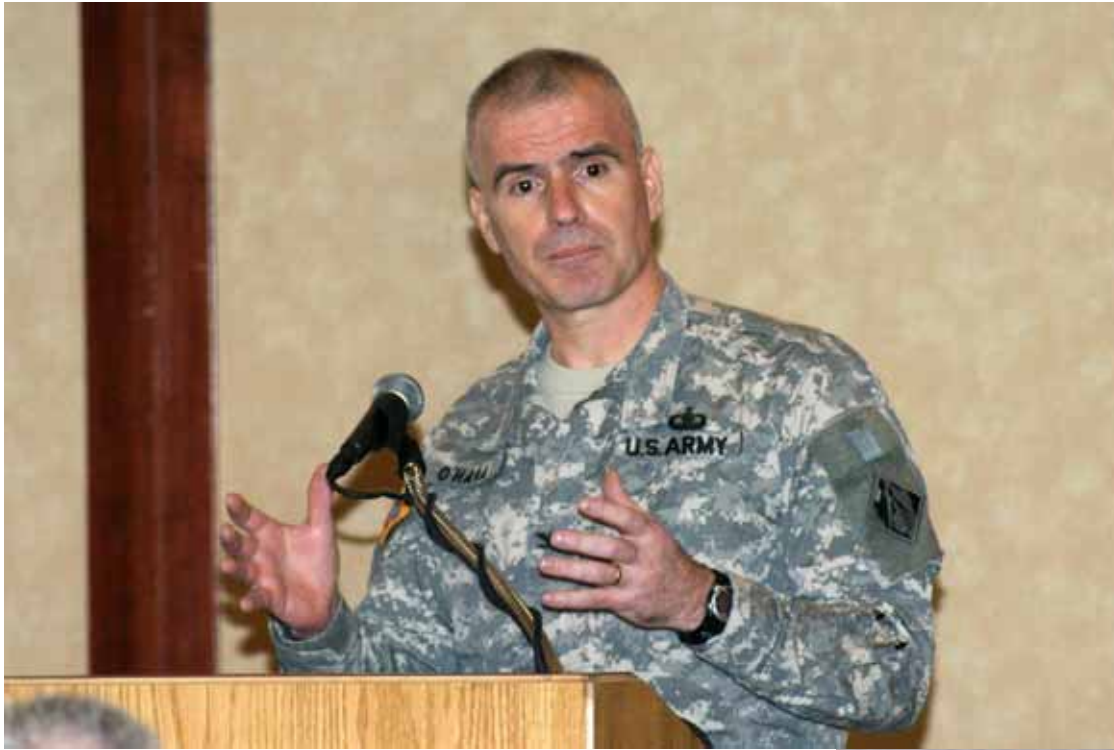

Dan Hellmuth, AIA, LEED-AP,
Hellmuth & Bicknese

Dan presented a seminar to
members on Sustainability in
Design.

Members had a great time at Wapango Restaurant for our Local Color Night.

Colonel Thomas O'Hara, St. Louis District Corps of Engineers, gave a presentation on the risk management challenges resulting from FEMA's de-accreditation of levee systems.

Phil Estes, Estes Consulting, presented a seminar to members on Manage is a Verb.

Members mingled during the Design Excellence Reception while reviewing the Engineering Excellence Award Projects.

We had a great turnout for our 2010 Awards Banquet. Awards were given for Distinguished Service and Engineering Excellence.

Joel Cerwick (left) joined Bob Goodwillie (below) to emcee our banquet and awards presentations.

Cerwick and Goodwillie had members laughing as they interjected comedy throughout the presentations.
