**Kansas City Engineering Firm Executives
Elected to American Council of Engineering Companies of Missouri
2018-2019 Board of Directors**

JEFFERSON CITY, MO (July 6, 2018) – Kansas City area firm principals elected to the American Council of Engineering Companies of Missouri (ACEC/MO) Board of Directors for 2018-2019 include: **Chairman-Elect** is **Stephen R. Wells**, Vice President of Hg Consult, Inc.; and **Secretary / Treasurer** is **Timothy J. Ross, PE**, President & CEO of George Butler Associates, Inc. Serving his 3rd year of a three year term as **Director** is **Michael L. Odrowski, PE**, Project Manager of CDM Smith; serving her 2nd year of a three year term as **Director** is **Kimberly R. Robinett**, Managing Member of TREKK Design Group, LLC; and serving his 2nd year of a three year term as **Director** is **Kevin L. Wallace, PE**, Vice President, of HNTB Corporation.

The Council's main goal is to support a positive business environment for our member engineering companies. Specific goals the ACEC/MO 2018-2019 Board have set for the coming year include: 1) focus on infrastructure funding and business issues; 2) support the Mercury Alliance, a grassroots transportation support coalition; and 3) continue to support our working relationship with key public agencies in Missouri.

ACEC/MO, headquartered in Jefferson City, Missouri is a state association of over 125 of Missouri's leading engineering companies, representing over 8,500 employees who annually design billions of dollars in constructed public work and private industry projects. The Council's member representatives are the design professional owners and top management of these firms. A complete listing of the 2018-2019 ACEC/MO Board of Directors is attached.
