**Poplar Bluff Engineering Firm Executive
Elected to American Council of Engineering Companies of Missouri
2017-2018 Board of Directors**

JEFFERSON CITY, MO (June 29, 2017) – **Stephen D. Hicks, PE**, Chief Operating Officer (COO) of S.H. Smith & Company, Inc., will serve his third year of a 3-year term as *Director* of the **American Council of Engineering Companies of Missouri (ACEC/MO)** for 2017-2018. Hicks will take office on July 1, 2017. S.H. Smith & Company, Inc. specializes in civil engineering, surveying, environmental, geotechnical, materials testing and construction inspection for both public and private sectors.

The Council's main goal is to support a positive business environment for our member engineering companies. Specific goals the ACEC/MO 2017-2018 Board have set for the coming year include: 1) focus on infrastructure funding legislation and business issues; 2) support the Mercury Alliance, a grassroots transportation support coalition; and 3) continue to support our working relationship with key public agencies in Missouri.

ACEC/MO, headquartered in Jefferson City, Missouri is a state association of over 125 of Missouri's leading engineering companies, representing over 8,500 employees who annually design billions of dollars in constructed public work and private industry projects. The Council's member representatives are the design professional owners and top management of these firms. A complete listing of the 2017-2018 ACEC/MO Board of Directors is attached.
