

The ACEC/MO Annual Engineering Excellence Awards program offers an opportunity for us to showcase the innovative and ingenious works of our firms and to show gratitude to our clients. The competition is open to any firm engaged in the private practice of engineering in Missouri.

ELIGIBILITY

Eligible projects include non-design projects such as studies, research and consulting engineering, buildings/technology systems, structural systems, surveying and mapping technology, environmental, water and storm water, water resources, transportation, special projects, small projects, energy, and industrial and manufacturing process and facilities. Projects entered in the competition may have been executed anywhere in the world. Research and Studies (Category A) or Surveying and Mapping (Category D) must have been publicly disclosed by the client between November 1, 2016 and October 31, 2018. Construction of projects (Categories B through L – with the exception of D) must have been substantially completed and ready for use between November 1, 2016 and October 31, 2018.

CRITERIA

The project is judged on the following criteria:

- Uniqueness and/or or Innovative Application of New or Existing Techniques
- Future Value to Engineering Profession
- Social, Economic and Sustainable Development Considerations
- Complexity
- Successful Fulfillment of Client/Owner Needs

ENTRY FEE

The member entry fee is **\$350**, which should be sent to the ACEC/MO office by **October 24, 2018**. The entry fee for non-members is \$1,500.

THE ENTRY FEE IS NON-REFUNDABLE.

ACEC/MO ENGINEERING EXCELLENCE AWARDS COMPETITION

- INTENT TO ENTER -

Firm: _____

Address: _____

City: _____ Zip: _____

Firm Contact Person: _____

Telephone: _____

Contact Email: _____

Project Entry Title: (Limit to 45 characters)

Location: _____

Client/Owner's Name: _____

To Be Entered in Category: _____

- Please forward rules to the address above.
- Downloaded rules from ACEC/MO website.
Do NOT need to forward rules.

BENEFITS OF COMPETITION

- Strengthens ties with clients
- Increases morale of staff
- Use of entry as promotional tool with clients
- Issue of news releases to media
- Display of panel in prominent locations at the local and national level
- Features in local and national publications
- Highlighting project in your own brochures

LARGE PROJECT! SMALL PROJECT!

You can only be a winner if you enter. We would encourage all firms to review their projects and consider entering the EEA Project Competition.

Small engineering firms play an important role in ACEC's Engineering Excellence Awards Program winning at the same rate as larger engineering firms."

-ACEC EEA Committee

AWARDS: ACEC/MO may submit five winners to ACEC, plus one entry for every five above ten entered in the state competition. Each category will have at least one winner for the state competition. These top categories will then advance to the ACEC national competition in Washington, D.C.

HOW TO SUBMIT AN ENTRY: Upon receipt of the Intent to Enter Form, detailed information on the format and requirements for the state and national competition will be sent to the firm representative or can be downloaded from our website at www.acecmo.org.

JUDGING: A diverse panel of judges will consist of community leaders from construction, education, media, public agencies, and private industry. The distinguished panel of judges will select Awards of Honor Awards, Small Firm Award, Grand Awards and the Grand Conceptor Award. The Missouri judging will be based on the notebook in categories shown in the matrix below.

CATEGORIES OF ENGINEERING EXCELLENCE

Non-Design Projects

A. Studies, Research and Consulting Engineering Services

Project Design Services

B. Building/Technology Systems

E. Environmental

H. Transportation

K. Energy

C. Structural Systems

F. Waste & Storm Water

I. Special Projects

L. Industrial and Manufacturing Processes and Facilities

D. Surveying & Mapping Technology

G. Water Resources

J. Small Projects

NOTEBOOK REQUIREMENTS

- Official Entry Form
- Client/Owner Letter
- Project Description
- Six Different Photos or Graphics
- Supplemental Report (*Category A only*)
- USB Flash Drive
- Entry Fee of **\$350**

→ See ACEC/MO's EEA Competition Rules for more detailed Notebook requirement information.
