What additional information could we provide on our website of interest to you and/or your firm?

- Info that is shared by email should be on site as well. (Example - MoDOT Officials List. It's hard to find info when needed.)
- Nothing comes to mind at this time.
- I think we can be more effective and show more leadership in government advocacy.
- Liaison meeting and committee meeting minutes in a timely fashion.
- Not sure yet.

What is ACEC/MO’s top service or strength as an association?

- Strong involvement by consulting community.
- Being an advocate for the consulting community.
- Political advocacy.
- The quality of its members. We represent almost all the major engineering firms in the state.
- Political advocacy / Governmental affairs.
- Legislative advocacy.
- Public Client coordination.
- Facilitates communication within the industry and with client partners.
- Liaison with MoDOT.
- Assistance with Business Practice.
- Political Advocacy and member education on these matters.
- QBS advocate (there is no one else).
- Represent engineers with our state and federal delegations.
- Business Practices and Governmental Affairs.
What other service could ACEC/MO do to serve you better?

- Heard feedback from attendees that FLA presenters are not very diverse.
- Nothing comes to mind at this time.
- Improved government advocacy.
- Encourage member firms to fund employee involvement in MSPE/NSPE because without the PE, this industry goes away.
- I think ACEC should look to build more ongoing coalitions with other groups with similar goals and interests across the state on key issues.
- The local leaders’ breakfasts are/were very useful.
- Not sure yet.
