**MoDOT-Industry Design-Build Forum Partnering Meeting**

Because of MoDOT’s increased frequency in doing design/build project delivery and the concerns about this delivery method by both consultants and contractors, MoDOT, AGC and ACEC/MO are holding a partnering meeting to see what the concerns and motivations are. This may turn into a more ongoing liaison group as alternate delivery methods are explored and adopted by MoDOT.

This is all coming at a time when MoDOT has received additional funding for deficient bridges from the 2019 legislative session. The first meeting of the industry group will be November 4th in Jefferson City. A few representatives from each organization were picked (to keep it manageable) for this kick-off meeting while others may be designated later by the respective organizations as needed or desired. ACEC Missouri representatives will be Mike DeBacker (Burns & McDonnell), Kevin Wallace (HNTB), Bob Gilbert (Bartlett & West) and Chris Linneman (EFK Moen).

Please email brucewylie@acecmo.org if you have concerns we should convey to MoDOT before the November 4th meeting.

**STATE AND NATIONAL PAC HIGHLIGHTS**

**ACEC/MO 3rd Annual ACEC/PAC Golf Tournament**

ACEC/MO member representatives attended ACEC/MO's 3rd Annual ACEC/PAC Golf Tournament on October 21, 2019 in Columbia. It was another very successful tournament and ACEC/PAC fundraiser. The golf course was beautiful but the cool, windy weather made it very challenging to play golf. Below are photos from the day to show you some of the highlights from the tournament. Thank you to all our member representatives that attended and supported our national PAC.

**PRIZES AWARDED:**

*1st Place Team*: Ryan Fuller, Marcus Himmelberg, Daniel Linneman & Joe Pope  
*2nd Place Team*: Joe Hagerty, Earl Harrison, Dave Kocour & Steve Wells  
*Longest Drive*: hole #1 - Rick Lodewyck  
*Closest to the Pin*: hole #6 - Steve Wells, hole #11 - Earl Harrison, hole #13 & #16 - Ryan Fuller

**CORPORATE SPONSORS:**

We want to again thank the following firms that sponsored the golf tournament. Without their support, it would not have been a huge success.

ACEC Coalitions

ACEC/MO members are eligible to join the specialty groups known as ACEC Coalitions — dedicated communities of ACEC members organized by practice area or firm size. The coalitions provide a range of practical, day-to-day resources to enhance the operation of your business and make it more profitable by sharing knowledge and best practices with peers in your area of specialization. This issue highlights GEO, DPC and SFC. See below for information on these coalitions.
Geoprofessional Coalition (GEO)
Geoprofessional Coalition represents the unique needs of firms providing site/civil and geotechnical services and serves as the industry advocate for firms specializing in land issues. Geoprofessional members get access to an invaluable network of professionals to share best practices, troubleshoot common problems, and explore new business opportunities. To learn more information on this coalition, click HERE.

Land Development Coalition (LDC)
LDC represents the unique needs of firms providing land development, site/civil and geotechnical services, and serves as the industry advocate for firms specializing in land issues. LDC members get access to an invaluable network of land development professionals to share best practices, troubleshoot common problems, and explore new business opportunities. To learn more information on this coalition, click HERE.

Small Firm Council (SFC)
SFC membership provides direct access to expert management advice, programs, and discussions to help small firms thrive. SFC monitors the Small Business Administration and other federal agencies to protect contracting opportunities and advance important issues specific to small firms. SFC members also receive reduced registration rates to the Annual Winter Seminar. To learn more information on this coalition, click HERE.
